

# CX-125A

## Technical datasheet

### Goorui blower performance curves

### Goorui blower installation drawing(mm)

### Goorui blower installation parameter

| Type    | Phase | Power (kw) | Voltage (V) | Current (A) | Pressure(max.) (Kpa) | Air Flow(max.) (m³/min) | In/Out Let (mm)   | Noise Level (dB) | Weight (kg) |
|---------|-------|------------|-------------|-------------|----------------------|-------------------------|-------------------|------------------|-------------|
| CX-125A | 3 ~   | 2.2        | 220/380     | 8/5         | 2.4/3.7              | 32/37                   | In 200<br>Out 125 | 76/95            | 36          |
